Programs of Support (PoS)

Some of Barkuma's disability supports that are delivered in a group may be delivered under a 'Program of Support' (POS).

Barkuma may claim for the full duration of the POS as though you had attended, whether or not you did. Supports delivered as part of a program of support are not subject to the short notice cancellation rules.

A Program of Support can be between 12 weeks to 6 months, depending on the service you are receiving. This will be discussed with you when you start.

You can exit a Program of Support without cost, subject to a notice period of two (2) weeks. If you stop attending an agreed program of support without notice, Barkuma may continue claiming for up to four (4) consecutive weeks from when you stopped attending. Barkuma will only claim past four (4) consecutive weeks of non-attendance if you notify Barkuma during that period that you wish to continue in the Program of Support.

If the primary support is being delivered to a group of participants, then Barkuma can claim up to price limit of the relevant Centre Capital Cost support item.

When support is delivered partially in a Centre and partially in the Community, and the Centre is available at all time during the support if required, then Barkuma can claim up to the price limit for the relevant Centre Capital Cost support item for the entire period of the support.
