Trusted packaging and assembly solutions

For over 40 years, Barkuma has delivered packaging and assembly solutions for businesses across South Australia.

We combine dependable service, flexible packaging and assembly capability and experienced teams to deliver quality outcomes across a range of industries.

Partnering with Barkuma means working with a commercial provider that delivers reliable solutions while supporting inclusive employment opportunities.

Looking for a reliable commercial partner to support your packaging and assembly needs?

Quality and compliance

Barkuma is committed to delivering safe, reliable and compliant services that meet industry standards.

Our facilities hold:

- **ISO Quality Endorsed certification**
- **HACCP certification**
- **Kosher compliance capability**

These standards provide confidence in the quality, safety and consistency of our packaging and assembly processes, particularly for food, cosmetic and consumer goods packaging.

Our experienced teams operate within structured quality and safety procedures to ensure products are handled with care, accuracy and attention to detail.

Why businesses partner with Barkuma

Barkuma delivers scalable commercial solutions that help businesses improve efficiency, manage packaging and assembly demands and access flexible support.

Businesses partner with Barkuma for:

- ✓ **Consistent and flexible packaging and assembly services**
- ✓ **Scalable workforce capability**
- ✓ **High quality and compliance standards**
- ✓ **Responsive customer service**
- ✓ **Efficient turnaround times**
- ✓ **Support during seasonal or high-volume periods**
- ✓ **Reduced operational pressure through outsourced packaging and assembly services**

Partnering with Barkuma also supports Corporate Social Responsibility (CSR), Environmental, Social and Governance (ESG) frameworks, disability inclusion and social procurement objectives.

A skilled workforce

Barkuma's production teams are supported by experienced supervisors, team leaders and development staff to ensure consistent service delivery and quality outcomes.

Our operational model combines workforce capability with structured workplace support to deliver dependable results for businesses across South Australia.

Connect with Barkuma to discuss tailored solutions for your business.
